General Coordinator wishes a more peaceful and vibrant 2019!

Happy New Year in 2019! This is a greeting from General Coordinator to INMP members all over the world.

The flowers in the picture below are the ones I took in the walking path around my house last year. In the natural environment, various flowers are blooming beautifully with their rich personality. Let's make an attractive and fascinating bouquet by networking museums for peace worldwide with their respective charms.

INMP's Kyoto Office will make every effort to develop the network particularly toward the success of the 10th International Conference in middle September 2020 in Japan.

Yellow Rose

Tyrolean Lamp

Clematis

Tiger Lily
